Built for **“group feasting”**, these **“boisterous”**, **“fast-paced”** Italians offer **“whirlwind experiences in family-style dining”** via **“large platters”** of **“red-sauce”** cooking with a **“punch of garlic”**; granted, the Times Square outlet may be too **“touristy”** for some, but overall **“you can’t beat it for taste and value.”**
